

CAREWISE

Action Plan

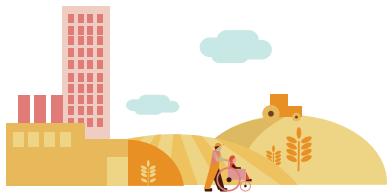

Fill in this Plan to identify what your organisation will do in each priority area to demonstrate your commitment to being CareWise over the next 12 months. Use the CareWise Self-Review in your log-in area at the CareWise website as a guide. Or go www.carewise.net.nz/being-carewise for more info and suggestions.

Tailor your Action Plan to ensure you achieve the best CareWise outcomes for your organisation. For help along your CareWise journey, please contact Carers NZ – 0800 777 797 or email centre@carers.net.nz

CAREWISE

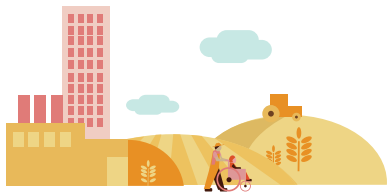

Recognition & Needs

Get to know your caring staff, and listen to them – their advice is invaluable for retention, productivity, culture, values, and recruitment savings.

For more information and suggestions go to www.carewise.net.nz/being-carewise/recognition

RECOGNITION & NEEDS

Flexible Work

Your organisation probably has a flexible work policy – but how flexible are your practices (really) for workers like carers who may not be able to keep working without this help? For more information and suggestions go to www.carewise.net.nz/being-carewise/flexible-work

CAREWISE

Evaluation & HR

Ensure day-to-day organisational practice supports carers in your workplace,
and that they have ongoing opportunities for feedback
